The Way Jim Wiggins Will Entertain Visitors in Empire.

On the 29th and 30th of the present month Jim Wiggins will turn loose the biggest lot of sport ever seen in Empire.

TURKEY SHOOTING.

The distance will be 200 yards, with rifles, at 25 cents per shot, nobody barred. The above pictures represent the style of turkeys.

THROWING AT DUCKS.

Ducks will also be put up for expert throwers to throw sticks at; ten cents per shot will be charged.

You will also get a chance at chickens with their heads out of a box, 30 yards distant, with pea rifles (22 caliber), 2 shots for a quarter.

An invitation is extended to the crack pigeon shots to try their luck at trap shooting. Matches and rules can be made on the grounds. Nobody barred in any of the above events.

MASQUERADE.

On Thanksgiving night there will be a masquerade at Wiggins' Hall, and costumes can be had at the hall. He has arranged to have a lot of new and attractive costumes on hand. Tickets one dollar, admitting gentleman and ladies.

Mrs. Kohl will have a big spread ready for hungry people, and there will also be plenty of stable room for those who come by private conveyance.

Jim Wiggins will spare no pains or expense to make this the grandest Thanksgiving Empire ever saw.

Shot by Officers.

Baltimore, November 14.—Captain John Mister of the oyster boat Ostrich was shot dead Saturday on the deck of his puny while trying to sail away from the police boat. Captain Ford of the sloop Maria, while on Holland island bar, saw the Ostrich sailing into Derring bay. After tacking about a while the Ostrich began dragging the bar for oysters.

The Maria drew up on the puny and Captain Ford ordered the oysterman to pull down his jib, but, instead, the latter piled on sail and started away. The police boat followed and opened fire on the fugitive. The chase and the firing continued for two hours over a course of nearly thirty miles. Finally the puny lay to and when Captain Ford boarded her he found the captain lying dead with a bullet hole in his head.

A Colored Lynching.

Pine Bluffs, Ark., Nov. 14.—Great excitement prevails at Varner, on the Iron Mountain railroad, over the hanging, shooting and burning early this morning of a negro named Nelson, who a week ago murdered another negro. A mob of colored people broke down the jail, hung Nelson to a tree, riddled his body with bullets, and then set fire to it. Fragments of the body are still dangling to the tree.

Stewart to Penoyer.

Portland, Nov. 11.—Governor Penoyer has received the following letter from Senator Stewart of Nevada:

WASHINGTON, Nov. 5.

My Dear Governor: I am glad to learn from your Thanksgiving proclamation that you are mindful of the fact that there is no reason to be thankful for anything that has been done during the past year by either legislative or executive department of the Government of the United States. Insolent hypocrisy, false pretenses and corruption, by which the gold ring elevated a man from Wall street to the great office of President, have produced results which have filled the country with want, misery and despair. Subjugation of the legislative department of the Government to the control of money-changers and stock gamblers through the instrumentality of money, a subsidized press and executive usurpation is a menace to constitutional government.

The decree which repealed the purchasing clause of the Sherman act and ratified and confirmed the infamous act of 1873, if it cannot be reversed, dooms the masses to poverty, misery and financial servitude. You are right. This is no time for gratitude except to the creator.

Organization to resist oppression of money powers and usurpations of the executive is the duty of the hour. The final battles for justice, financial independence and constitutional freedom must be fought in 1894 and 1896. The enemy of the people is entrenched in power and supported by every parasite, shlylock and money-changer in Europe and America. Nothing can prevent the rule of the gold oligarchy but united and determined action by the people before they are subjugated and their means of resistance exhausted.

Thinking you for your noble and patriotic course, believe me, yours very truly,

WILLIAM M. STEWART.
